

TOWN OF PROVIDENCE

Ordinance No. 1 of 1993

AN ORDINANCE PROVIDING FOR THE SAFE AND SANITARY DISPOSAL OF SEWAGE

The Town Board of the Town of Providence pursuant to its powers under Article 9 of the Town Law of the State of New York, does hereby enact as follows:

1. Any septic system, public or private sewer system, or drainage system installed after the effective date of this ordinance and servicing eight (8) or more dwelling units must use an extended aeration sewage treatment plant designed, installed and maintained in accordance with the New York State Sanitary Code as applied by the New York State Department of Health for sewage and disposal.
2. A dwelling unit is defined for the purpose of this ordinance as one (1) or more rooms with provisions for living, cooking, sanitary, and sleeping facilities arranged for the use of one family.
3. A violation of this ordinance shall be a misdemeanor pursuant to Section 135 of the Town Law of the State of New York.
4. This ordinance shall take effect pursuant to the provisions of Section 133 of the Town Law of the State of New York.

Dated: January 7, 1993

By Order of the Providence Town Board
